

Rambling Recollections

BY THE RT. HON. SIR HENRY DRUMMOND
WOLFF, G.C.B., G.C.M.G.

"The most valuable parts of the book are those chapters devoted to the British administration of the Ionian islands; the account of Wolff's interviews with a number of the prominent European statesmen just prior to the Congress of Berlin of 1878; the description of the organization of East Rumelia, pursuant to the treaty formulated by that Congress, and the story of the instigation of the treaty with Turkey, upon which is based the legality of England's present anomalous position in Egypt. Of great interest also are the personal impressions of the Franco-Prussian War, and the detailed account of Lytton's strange interest in occult phenomena, to which he gave expression in 'Zanoni,' and in some of his other novels." — *New York Times*.

"Sir Henry Drummond Wolff's volume is interesting in another way. It is crammed full of anecdotes of all kinds of people in all kinds of circles — religious, diplomatic, parliamentary, social, literary. The work corroborates the statements often made that Sir Henry is a raconteur par excellence, while it also proves him to be a first-class diplomatist, with a fine memory and a keen eye and ear. He has many stories of his work and experiences in Madrid, Roumania, Egypt, France, and America, as well as of his House of Commons period. Here is a tale about the future Lord Beaconsfield: Mr. Disraeli used generally to walk home from the House of Commons, usually in the society of Lord Henry Lennox. One night, rather late, I was in the neighborhood of Whitehall as the house was breaking up, and I met Mr. Disraeli alone. He asked me to accompany him, and we canvassed the prospects of the government. I said to him, as there was some talk of the government resigning, 'I suppose you will be prime minister.' He answered, 'In the extraordinary course of things.' " — *Chicago Record-Herald*.

Life of Lord Randolph Churchill

"These two volumes form the stormy record of a stormy life. That they should be more or less partisan was to be expected, that they should be more or less colored by personal prejudice was also certain, yet they are on the whole a fairer and more comprehensive consideration of the man and his work than could have been written by any one else. They form a permanent addition to political history, and they prove that Mr. Winston Churchill is a worthy member of his distinguished family." — *Boston Evening Transcript*.

"Disraeli had great faith in the possibilities of Lord Randolph as a young man. He gave the Fourth Party movement his approval at the outset. Perhaps he sympathized with any other man who undertook again what he had so triumphantly accomplished, the remaking of the Tory party by bringing it in touch with democracy. . . . His weakness as a statesman was an inability to act along with others. He offended Queen Victoria, he alienated Lord Salisbury, and he quarreled with his intimate political associates. But he saw clearly, and he predicted the fast-approaching time when labor laws will be made by labor interest for the advantage of labor. These volumes are the record of the most splendid failure in the political history of England." — Philadelphia Press.
